

A new innovation, an affordable, machine washable alpaca quilt.

The combination of 25% Australian premium quality alpaca fleece blended with pure new Australian downs wool has created a uniquely soft and fluffy quilt collection that has an exceptional warmth to weight performance.

An Alpaca Country quilt is superbly comfortable and ideal for use in all climates and sleeping environments. Moisture absorbent, naturally flame retardant and practical; easy care.

Available in two standard weights, 450gsm for winter and a 300 gsm version for warmer climates.
