

ALPACA *classic*

The Alpaca Classic fully reversible underblanket collections are the ultimate in under body sleeping luxury and are in a class of their own; unique to Kelly & Windsor Australia.

The improvement in sleeping comfort is assured by the unique combination of alpaca fleece in the rich dense winter pile fabric, backed with a thick supportive alpaca/wool blended layer and finished with a superfine sateen cotton fabric on the summer side, have distinguished it from all other premium underblankets.

Fully reversible for winter and summer, the Alpaca Classic underblankets is perfect for all year round use and easy care.

Fitted with a double stitched, deep fitted elasticized skirt to ensure that the underblanket stays in place, the Alpaca Classic underblanket provides outstanding warmth, support, moisture absorption while protecting the mattress.
